Consultant Orthopaedic Surgeon. The Bristol Orthopaedic Clinic

I have the degrees of MB ChB and MD from the University of Manchester, the Fellowship of the Royal College of Surgeons FRCS and speciality fellowship in Orthopaedics and Trauma FRCS and FRCS(ORTH). I have been a Consultant Orthopaedic Surgeon since 1992. I am a fellow of the Royal College of Surgeons. I specialise in Knee Surgery, Joint Replacement, Sports and Shoulder Injuries and Infection in Orthopaedics. I have an MD degree and a published thesis in Knee Surgery. I am the co-author of the text book; Controversies in Knee Surgery published by Oxford University Press.

I have honorary membership of the American Orthopaedic Association for Sports Medicine, I am a reviewer and on the editorial board for the American Journal of Sports Injuries and was the first UK trained surgeon to be awarded the European-American ESSKA – AOSSM travelling fellowship. I am the most senior member of the international Anterior Cruciate Ligament Study Group. I have many years experience of medical injury and medical negligence reporting preparing expert medico-legal expert reports for claimants, defendants, the NHS, the Care Quality Commission and the GMC.
